DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-6, 10-13, 15, 17-31 have been found to be allowable since the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of a lithography system having among other features, a control device electrically connected to an environmental sensor located in at least one of the first and second chambers for controlling the environment in the at least the other of the first and the second chambers on the basis of a measured value given from the environment sensor, and satisfying condition, as recited in the instant claims. Applicant's arguments filed November 8, 2004 are deemed persuasive and incorporated herein by references.
2. As to claims 32-34, a lithography system or a substrate processing system which is provided with a calculating device and a control device, along with the other features for controlling the environment in one of the first chamber and the second chamber or in the processing chamber, on the basis of the environment difference or on the basis of a measured value given from the sensors, as recited in the above mentioned claims, is neither disclosed in any of the prior art of record, nor obvious to a skilled person in the art.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
